Artists are responsible for transportation, as well as set-up and break-down of their displays each day.

Artists must provide any special display walls or pedestals, although the committee is in the process of obtaining outdoor display walls. Each artist will have limited space, approximately 6 ft wide.

General Information:

The festival's primary objective is for artists to showcase a sample of their art. If an art piece is sold, artists are responsible for their own transactions and keep all proceeds of their sales. The festival and committee take no commission for sales. For artists who may want to showcase a larger variety of art, a vendor table option is available.

All work displayed must be original, created and executed by the displaying artist's or artisan's own hand and of professional quality.

Ineligible items include items made with commercially available molds or patterns or any item produced commercially or by anyone other than the artist. No representatives or dealers may show. Artists bringing ineligible items to the show will be asked to remove them.
